

Bethel Preschool & Daycare

Dear Bethel Families:

We would like to start this letter by saying thank you for your patience and understanding through this unprecedented event that we are currently facing as a country. We know how important our center is to all of you. You chose our center because you saw the quality of care and education we provide. Now, more than ever, our Bethel Families are important to us.

We understand that during this time we have families that have been laid off, hours cut down, and/or pay reduced. We also understand that we have families that are still fortunate to work remotely or are in jobs that require them to report to work. The waiver option granted by the state was to make it possible to have childcare available to those that are still needing care. This waiver doesn't have restrictions on who can receive service, so if you need our care, we are still able to be here for your children. We count it a blessing to be able to continue serving our community during this crisis.

We also understand that families are doing their part the best way they know how to help mitigate the spread of COVID-19. We know that being open for families that need care doesn't necessary meet the current need for other families in our center that are temporarily keeping their children at home.

We have been working hard on a way to best meet the needs of each family in our center. If you are a family that is facing financial constraints or not able to use our care currently, please reach out to the office. We have created a way to give tuition assistance and help families to keep their spot here at Bethel. We know each situation is unique and ask that you reach out to us to find the best solution for your family. Please contact the office by email or phone to discuss how we can best serve you during this time.

We appreciate all our Bethel families and look forward to when we can all be back together again. We will continue to update everyone, if any changes occur. If you have any questions or concerns, please email them to director@bethelpreschoolanddaycare.com.

Sincerely,

Rachel Bruce, Director
